

2-FTA (double drum model)

Handle 1 or 2 drums at a time with the exclusive "Parrot-Beak®" clamping system! Unit works perfectly on steel, fiber *and* plastic drums. Specially designed for the new "ISO" style and "W" style hoop steel drums. Fits on any forklift— no hydraulic or electrical connections needed. Cushioned belt-cradles™ protect drum side against damage. Industry-leading Weather-Beak™ protective coating!

Fork & Carriage mount units available. Vertical and horizontal adjustments for different drum heights/sizes!

Eighteen-month warranty extendable to 24 months! The longest and most comprehensive in the industry!

Load/unload trucks and containers, move drums in-plant and into storage and rack applications safely!

AVAILABLE OPTIONS
